GOODYEAR TECHNOLOGY EXPLORER

EFFICIENTGRIP 2 SUV

Following the success of its predecessor EfficientGrip SUV, the new EfficientGrip 2 SUV offers the perfect balance of mileage and performance on dry & wet roads.

The EfficientGrip 2 SUV benefits from Mileage Plus and specialized Dry Braking technologies making it the ideal choice for SUVs.

PERFORMANCE HIGHLIGHT

High tread elasticity and flexibility results in less fractures caused by rough road conditions (over a wide range of temperatures).

25%+
Improved mileage*

More contact surface, larger ribs at the center of the tread ensure shorter dry braking

7%+
Shorter dry braking*

Lower compound stiffness & increased number of gripping edges facilitate wiping out of water

4%+
Shorter wet braking*.
